

BRETT M. BRESSLER

ATTORNEYS AT LAW

Brett Bressler started his own firm in 2002 with the intention of providing his clients with the necessary time, dedication, and attention to deliver the best outcome and settlement results. He takes great enjoyment in personally investigating the accident scene and reviewing the case specifics. This attention to detail allows him to build his practice on referrals and recommendations from satisfied clients. Mr. Bressler strives to offer excellent advice and takes a genuine interest in each client and their situation. He has tried more than 50 jury trials, including cases involving serious injury, death, and insurance disputes.
